## THE COLLEGE

Established in 1973, Onkarmal Somani College of Commerce - Jodhpur, an institute of high repute in Western Rajasthan, has been offering quality education to young and budding students. We at Somani College strongly believe that education is an integral part of the country's social and economic fabric. The college has made inroads in imparting management education in Suncity by starting the three year degree course of 'BACHELOR OF BUSINESS ADMINISTRATION' (B.B.A.).

## WHAT IS B.B.A.?

B.B.A. is an intensive course specifically designed at under graduate level offering the young generation with business values blended with modern concepts and practice of management. Students from diverse academic backgrounds viz. Arts, Commerce and Science are exposed to combination of theory with practice in business.

The first year creates the base for understanding business management. The second year exposes the student to indepth knowledge in various functional areas while the final year offers specializations in the fields of Finance, H.R. & E-Commerce. In each part there shall be eight courses composed of Foundation and Core Courses.

## ELIGIBILITY AND ADMISSION

The course leading to the degree of B.B.A. is a full time three year degree programme after qualifying 10+2 (Senior Secondary) or its equivalent public examination conducted by any recognized board of education in India or abroad. A minimum of 50% marks in aggregate in the qualifying examination should be secured for admission. The admissions are made on merit basis.
