SKA TALENT SEARCH TEST 2009

(for students of Class X / SSLC)

Dear Sir / Madam,

Many of our students are highly talented and deserve special attention. We should motivate them to realise their full potential and study in premier institutions like IIT's and NIT's. Many of them would emerge as future leaders. We (teachers and parents) owe this to our promising students.

Admissions to all professional courses of higher learning in Science, Engineering, Medicine etc., are based on Entrance Examinations, conducted both at the National Level and at the State Level. National Level Entrance Examinations (NEE) like **IIT-JEE / AIEEE / PMPD** etc., provide good opportunities to get into premier institutions like **IITs / NITs / IISERs (Indian Institutes of Science Education and Research)** as well as top class Medical Institutions.

Preparation for these NEEs is an excellent academic training and every sincere / hardworking student should be encouraged to go through this wonderful learning experience. We request you to please do the needful to motivate / inspire your promising X standard / SSLC students to study in premier institutions after PUC / +2. We provide well structured value added coaching to supplement the traditional PUC / +2 training to prepare them for NEE's (including Board exams and CET of course). **I hope that you would see this as an opportunity to help your deserving students.**

To identify the young talent, we are conducting a Talent Search Test (TST) on **Feb 1, 2009**, based on the X std / SSLC syllabus and I request you to sponsor your promising students. The selected students will be awarded scholarships (Rs.5,000 to 10,000) and will be admitted to our Two Year Coaching programme for IIT-JEE / AIEEE / PMPD / CET. (The course fee will be reduced by the scholarship amount).

We request you to collect the names and addresses of your students who would like to attend the TST, and the list may be sent to us (or we will collect it) before Jan 25, 2009. The TST will be conducted at Sri Krishna Academy on Feb 1, 2009 (Sunday) from 10:30 am to 12:00 noon. Results will be announced /communicated within a week after the TST and admission formalities can be completed by the end of Feb, 2009.

Thanking you and with regards,

Your sincerely,

(J. Rukmini Ramakrishna)
Director

P.S. • Since we are located in Malleswaram, we are conducting this Talent Search Test for Students of High schools in and around Malleswaram. However, students who are living in Malleswaram but studying elsewhere may also apply directly to Sri Krishna Academy.
