PUNARWAAS

FLOOD RELIEF MISSION, BIHAR

An Appeal

Kosi Maiyya (Mother Kosi), as we revere her in Bihar is angry. Angry because she has been uncared for and ignored for too long. This time her fury and devastation is unprecedented. She has changed course by miles and flooded vast areas of North Bihar submerging more than 8 districts and displacing nearly three million people. It will take weeks... months to even estimate the loss of life and property. But the trauma that these people have gone through will perhaps never be estimated...

Prime Minister Mr. Manmohan Singh has called it a NATIONAL DISASTER. Help has been coming from State Governments across the country. Aid has been pouring in from individuals, institutions and corporates to ease the sorrow of Bihar. The Government of Bihar is doing its best to organise rescue and relief to the millions but it will be a mammoth task to rehabilitate them.

To share and shoulder the mammoth task of flood relief and rehabilitation we have set up PUNARWAAS, FLOOD RELIEF MISSION, BIHAR. It has been set up under the aegis of ANUBHOOTI, an NGO working in Bihar.

We have adopted Relief Camp – 22 RD, the village Kattaiya in Basantpur panchayat, which is about 40 kms from the District HQ of Supaul. This camp will provide complete care for these 5000 people. Food, clothing, healthcare, sanitation, education – and eventually rehabilitation. The camp will also provide vocational training and employment opportunities for these people.

In this mission **PRAYAS** is our partner.

PRAYAS: Prayas is a humanitarian, gender sensitive and child-focussed development organisation, with a vision to restore the lost childhood of neglected, street and working children and the marginalised. Prayas brings with it a dedicated team experienced in disaster management in the Gujarat Earthquake and the Tsunami catastrophe in Andaman & Nicobar.
